**URNS, KEEPSAKE JEWELRY AND NAMEPLATES**

the 1990s, the number of people with a mental health problem has increased in the UK (Mental Health Act 1983, 1990, 1994).

There is a growing awareness of the need to improve the lives of people with mental health problems. The UK Government has set out a strategy for mental health care (Department of Health 1999) and the World Health Organization has published a strategy for mental health care (World Health Organization 1993).

The aim of this paper is to describe the development of a self-help manual for people with mental health problems.

The paper is organized as follows. First, the background to the development of the manual is described.

Second, the development of the manual is described. This includes a description of the development of the manual and the development of the manual.

Third, the development of the manual is described. This includes a description of the development of the manual and the development of the manual.
